

Installation of Monitor Shelf Sub-Assembly (continued)

Lift up rear of Monitor Shelf Assembly and attach it to the Rear Legs of the desk.

Tighten all (4) screws

If you purchased the "Sit or Stand" option, install the 2nd Monitor Shelf Assembly for the standing position. Also install the D1 Stiffener between the rear Legs of the desk, somewhere between the (2) Monitor Shelves

With the Monitor Shelf Assembly in the forward position, the desk looks like this.
